

**CENTRAL INTELLIGENCE AGENCY**  
**WASHINGTON, D.C. 20505**

20 FEB 1975

To the Internal Revenue Service:

On 11 November 1974,

STAT

reported the alleged theft of a personally owned Hewlett Packard Model 80 pocket calculator from his office in the CIA Headquarters Building, Langley, Virginia. A subsequent investigation by the Office of Security, CIA, developed no additional information relating to the alleged theft and no recovery of the calculator was made.
